## PROFESSIONAL SUMMARY

Motivated BCA student with 8 months of hands-on R&D internship experience at Stefen Electric Private Ltd. Proficient in HTML5, CSS3, and JavaScript with a passion for building responsive web applications. Strong analytical and problem-solving abilities demonstrated through battery testing projects and academic coursework. Eager to contribute to innovative software development teams and expand technical expertise.

## TECHNICAL SKILLS

**Web Technologies:** HTML5, CSS3, JavaScript  
**Development Tools:** VS Code, Chrome DevTools  
**Core Competencies:** Research & Development, Technical Documentation, Data Analysis, Team Collaboration

## ACADEMIC COURSEWORK

**Computer Science Fundamentals:** Data Structures, Algorithms, Object-Oriented Programming  
**Web Development:** Frontend Development, JavaScript Programming, Responsive Web Design

## LEARNING & DEVELOPMENT

Self-learning web development through online platforms including hands-on projects in HTML5, CSS3, and JavaScript. Actively pursuing knowledge in modern web development practices, responsive design, and frontend frameworks.

## KEY ACHIEVEMENTS

Completed 8-month R&D internship at Stefen Electric, gaining practical experience in technical testing, quality assurance, and cross-functional collaboration in a manufacturing environment.

Successfully balanced dual academic pursuits (BCA and Electrical Engineering Diploma) while developing web development skills through self-directed learning.

Built practical expertise in frontend web technologies through hands-on projects and structured coursework.

## ADDITIONAL INFORMATION

**Date of Birth:** 10 September 2004  
**Location:** Gurugram, Haryana, India  
**Languages:** English, Hindi
